- You can diffuse any of these oils in a scent ball preferably two to three essential oils at the same time.
- You can also make a beautiful perfume of these oils. Simply use the massage oil recipe and double it and add it to two ounces of massage oil or double the amount of the essential oil recipe and use a four ounce spritzer bottle or perfume atomizer.
- To use a vaporizer type of diffuser you use half of the recipe above. Rose is very powerful in essence so remember to only use one or two drops in your recipes so it does not over power the other scents.
