

Gemstone Body Wrap

Have you ever had the opportunity to be wrapped in healing semi-precious and precious gemstones? Here's your chance to relax from your head to your toes, immersed in healing gemstones and pure essential oils. All wraps are personalized and customized for your needs.

A personalized freshly made clay pack is applied to your body along with your choice of healing gemstone, and your choice of pure essential oils. Choose from 7 different essential oils and 23 different gemstones.

STEP ONE: Choose one of seven different aromatherapy oils:

Lavender, Orange, Eucalyptus, Ylang Ylang, Cedarwood, Myrtle and Lemon

STEP TWO: Choose one gemstone from either category: (Please note that some gemstones may not be in stock due to availability, please ask your practitioner).

CLASSIC GEMSTONES:
